

Commodity Label

Commodity Label

Commodity label is used for perfumes, cosmetics, bath and body products, candles and many other products, to help you sell your products. These labels come with a clear background, so they will not detract from your products container or packaging. Supplied on a roll, they are easy to be handled. Just peel them off from the roll and they can be applied.

Features of Commodity Label

1. They can be used for commodity packaging on roll or sheet.
2. Printed with 1 to 12 colors.
3. Material: self-adhesive paper, vinyl and polyester.
