

Cosmetics - Industrial Packaging

Cosmetics - Industrial Packaging

We serve the world's elite cosmetic brands and the giant in consumer products, and we have earned the reputation of delivering top quality products to very demanding customers. Our cosmetics packaging products include folding paperboard cartons and transparent PVC boxes. We print with offset, flexography and silkscreen and finished off with a variety of post-press techniques including UV gloss, spot UV coating, hot and cold stamping foil as well as opp and matt lamination.
